VISION

An educated and transformed society in sustainability of natural resources.

MISSION

To be a University for research, education, teaching and community service in management of mineral and other natural resources.

CORE VALUES

Result Oriented

Budgeting and planning is geared towards achieving desired results with minimum expenses

Quality

All work is done to ensure products and services of the highest quality are achieved.

Innovativeness

In the face of many challenges, innovation is championed to ensure set targets are achieved

Transparency and Accountability

All dealings should be open and accountable to stakeholders

Professionalism and Ethical Conduct

Staff are required to uphold the highest professional and ethical standards in their assignment.

MOTTO

Home of Ideas

PHILOSOPHY

Offering quality education, training, research, and outreach programs to empower communities for improvement of their socio-economic wellbeing, while assuring environmental sustainability

NATIONAL ANTHEM

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

EAC ANTHEM

Chorus

We should protect/guard our Community
We should be committed and stand strong
Our unity is our anchor
Long live our community

Oh God we pray
For preservation of the East African Community;
Enable us to live in peace;
May we fulfil our objectives;

Patriotism and togetherness
Be the pillars of our unity
May we guard our independence and peace
Our culture and traditions

In industries and farms
We should work together
We should work hard
We should build a better Community.

*Congratulations Class
of 2020*
